Neighbors Who Care to Host Open House

Wednesday, April 18th Neighbors Who Care will host an Open House from 3 to 5:30PM; with a Ribbon Cutting at 5PM. Neighbors Who Care is a local non-profit organization serving the homebound elderly in south Chandler and Sun Lakes.

In January of this year Neighbors Who Care moved to a new location at 10450 E Riggs Rd., Ste 113. The Open House is an opportunity for the community to stop by, say hello, and see their investment in action!

The Open House will also be a celebration of community volunteerism. National Volunteer Week is April 15 – 21, and Neighbors Who Care wants to recognize and thank their volunteers. Neighbors Who Care is able to provide services through its corps of over 500 community volunteers. NWC volunteers provide transportation to doctor's appointments, take people grocery shopping, make friendly visits, and reassurance calls; they provide respite for family caregivers, minor repairs, business assistance, and dinner delivery for over 700 clients. Last year the value of their contributions to the community totaled over \$300,000.

Please stop by and join the celebration!
